

Raúl M. Grijalva
Member of Congress, Arizona District 7

Dear Friend:

I want to thank you for the support and friendship you have generously offered my family and me. We are forever grateful.

It is my hope that you will consider supporting Ms. Regina Romero for Tucson City Council. Regina is a valued friend, a tireless campaign volunteer and an exceptionally well-prepared candidate. She is currently a candidate for the Ward 1 Council seat and I believe that she represents a needed change in our future political leadership; a change that empowers women and brings into focus issues that have been pushed to the sidelines too long.

I have worked with Regina in a myriad of projects and issues and she has consistently demonstrated a caring intelligence and a commitment to hard work to achieve the task at hand. In addition to her innovative sense, Regina adds a healthy pragmatism, a grounding in strong principle, and a demonstrated political leadership. Regina Romero understands that getting things done for the general good requires coalition building, attention to core values and the accessibility and responsiveness of an elected official.

Regina is well informed and committed to important goals. This includes the need to protect our environment, invest in people and neighborhoods, and create a climate of success for small business, the arts and quality jobs.

We have enclosed constituent envelopes for any contribution you can give. The candidate needs your help to communicate the message to Tucson voters. I would like to invite you to join Mona and I at a reception for Ms. Regina Romero. Please mail your contributions or bring them to the reception.

Thank you,
